THE SLEEP THEORY USA

The Sleep Theory USA project was all about blending functionality with a calm, premium shopping experience. By building on Shopify with custom coded sections, a streamlined navigation, and responsive layouts, the store was designed to feel intuitive and effortless for customers. From secure payment integrations to optimized product pages, every detail was crafted to align with the brand's mission of promoting better sleep and wellness. The result is a scalable, user-friendly e-commerce platform that not only reflects the brand's identity but also supports its growth in the competitive wellness market.

Who We Are

Care Rise is a specialist recruitment and placement agency dedicated exclusively to the Aged Care sector. We specialise in matching Australian aged and community care providers with the right skilled talent from overseas. We are committed to seamless placements, as per the visa requirements, in line with industry standards and under the Aged Care Labour Agreement. As demand for aged care professionals increases, we ensure qualified personnel are available to join the team that aligns with professional expectations from aged care and healthcare institutions across Australia.

Our Mission

At Care Rise, our mission is to provide aged and community care with a workforce that is reliable, compliant, and well-trained. We are committed to supporting providers in the delivery of high-quality care by having access to competent professionals, who meet the requirements set by the industry standard, as well as organisational needs. Our focus on compliance, quality, and workforce readiness allows us to create sustainable staffing solutions that benefit both care providers and the communities they serve.
